ORDER

Adopted: June 13, 2000

Released: June 13, 2000

By the Chief, Market Disputes Resolution Division, Enforcement Bureau:

1. On November 5, 1999, United Technological Systems, Inc. (Uni-Tel) filed the above-captioned formal complaint against MCI WorldCom Communications, Inc. (MCI) alleging, among other things, that MCI violated sections 201 and 203 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 201 and 203, by misrepresenting its charges for telecommunications services to Uni-Tel.

2. Subsequent to that filing, the parties entered into negotiations in an effort to settle the matter in controversy. On June 12, 2000, the parties filed a joint motion to dismiss the complaint with prejudice, stating that all matters pending in the instant complaint have been resolved.

3. We are satisfied that dismissing the complaint will serve the public interest by promoting the private resolution of disputes and by eliminating the need for further litigation and the expenditure of further time and resources of the parties and the Commission.

4. Accordingly, IT IS ORDERED, pursuant to sections 4(i), 4(j), and 208 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 154(j), and 208, and the

authority delegated in sections 0.111 and 0.311 of the Commission's rules, 47 C.F.R. §§ 0.111 and 0.311, that the joint motion to dismiss the above-captioned complaint IS GRANTED.

5. IT IS FURTHER ORDERED, pursuant to sections 4(i), 4(j), and 208 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 154(j), and 208, and the authority delegated in sections 0.111 and 0.311 of the Commission's rules, 47 C.F.R. §§ 0.111 and 0.311, that the above-captioned complaint is DISMISSED WITH PREJUDICE and this proceeding IS TERMINATED.
