Blanco, Texas Filing Window Extended to February 1, 2000

On December 17, 1999 the Mass Media and the Wireless Telecommunications Bureaus released a *Public Notice*, DA 99-2824, announcing the opening and closing dates for an auction filing window for a new analog television station on Channel 52 at Blanco, Texas. The window filing period opened on January 24, 2000 and was scheduled to close on January 28, 2000.

Due to inclement weather which closed the Commission on January 25 and 26, 2000, and the brevity of the filing window, the filing window has been extended to 5:30 PM EST on February 1, 2000.
