**NOTICE OF PROPOSED RULE MAKING**

**Adopted: July 25, 2000**

**Released: July 27, 2000**

Comment Date: September 18, 2000  
Reply Comment Date: October 3, 2000

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Alabama Educational Television Commission ("AETC"), licensee of noncommercial television station WDIQ-TV, NTSC Channel 2, Dozier, Alabama. AETC requests the substitution of DTV Channel 11 for its assigned DTV Channel 59.

2. In support of its proposal, AETC states that adoption of its proposal would permit station WDIQ-TV to substitute a core spectrum digital allotment for its current, non-core allotment. This in turn would enable AETC to design and construct only one set of digital transmission facilities thereby reducing the construction costs that AETC would incur. AETC further notes that the Commission has recognized the additional burden placed on licensees with out-of-core allotments and promised that efforts would be made to reduce the number of out-of-core allotments through future amendments to the Table.<sup>1</sup>

3. We believe petitioner's proposal warrants consideration. DTV Channel 11 can be substituted for DTV Channel 59 at Dozier, Alabama, as proposed in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (31-33-16 N. and 86-23-32 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel 11 for DTV Channel 59 for station WDIQ-TV at Dozier with the following specifications:

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before September 18, 2000, and reply comments on or before October 3, 2000, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making

proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or admission of evidence for resolution of issues in the proceeding. However, any new written information elicited from a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
