MEMORANDUM OPINION & ORDER

Adopted: July 26, 2000

Released: July 27, 2000

By the Enforcement Bureau:

1. In this Memorandum Opinion & Order, we rescind a Notice of Apparent Liability for a monetary forfeiture issued to Flambo Broadcasting, Inc., former licensee of Station KFMH-FM, Muscatine, Iowa, for the broadcast of indecent material on the morning of August 30, 1991. *Flambo Broadcasting, Inc. (KFMH-FM)*, 9 FCC Rcd 1681 (MMB 1994) (“NAL”).

2. The Mass Media Bureau issued the NAL on April 1, 1994, and the licensee filed a response on April 25, 1994. A significant amount of time has elapsed since the issuance of the NAL and since the 1991 broadcast of the material at issue. Moreover, Station KFMH-FM has been assigned and is no longer licensed to Flambo Broadcasting, Inc. Under these circumstances, we have determined not to issue a forfeiture order. *See Americom Las Vegas Ltd. Partnership (KFBI(FM))*, FCC 00-267, released July 26, 2000. However, our decision today in no way condones the broadcast of the material at issue.

3. ACCORDINGLY, IT IS ORDERED that the above-referenced NAL issued to Flambo Broadcasting, Inc. is hereby RESCINDED and the pending response to the NAL is DISMISSED AS MOOT.
