CABLE SERVICES BUREAU ACTION

LETTER REGARDING OPTEL

OpTel filed a request for a letter ruling requesting a determination that the Commission's rules governing the disposition of cable home wiring in MDU buildings do apply in a situation where the incumbent's service has been terminated by an individual subscriber, but the incumbent operator otherwise retains a "legal right to remain" on the premises. The Commission has responded to OpTel's request in a letter ruling released today by the Chief, Cable Services Bureau.
