**Wireless Telecommunications Bureau (WTB) to Conduct
Universal Licensing System (ULS) Interactive Demonstrations
October 18, 2000, in Gettysburg, PA and October 25, 2000, in Washington, DC**
*Demonstrations Scheduled on License Search/Application Search, General Filing,
Microwave Application Filings in ULS, and Land Mobile Filing*

The Federal Communications Commission's (FCC's) WTB will conduct interactive demonstrations of ULS on Wednesday, October 18, 2000, at its Gettysburg, PA office and on Wednesday, October 25, 2000, at its Washington, DC headquarters. Also, WTB seeks comments and suggestions from those individuals who are interested in attending these demonstrations to coordinate and to design future events more effectively.

WTB will hold the first demonstration (October 18) in the Training Room at the FCC's office located at 1270 Fairfield Road, Gettysburg, PA (directions from the Washington, DC area to the FCC's Gettysburg, PA office are included in this Public Notice as Appendix A). Participants will be directed to the Training Room upon signing in at the front desk.

The topics of the Gettysburg demonstration will be License Search/Application Search and General Filing. This demonstration will begin at 9:30 a.m. and will end at 12:30 p.m.

WTB will hold the second demonstration (October 25) at the FCC's headquarters in Washington, DC in the ITC Training Room on the Twelfth Street level (main entrance level) of the Portals building at 445 12th Street, SW.

The topics of the Washington demonstration will be

Morning session: License Search/Application Search, from 10:00 a.m. until noon

Afternoon session: Microwave Application Filings in ULS and Land Mobile Filing, from 1:00 p.m. until 4:00 p.m.

WTB has chosen these topics based on comments from previous demonstrations and will add, delete, or modify future demonstrations as participant interest dictates. WTB plans to hold ULS demonstrations on additional wireless services as these services are deployed.

Parties interested in attending the demonstration and/or providing comments should contact Jeff Smotherman at (202) 418-0584, or via email at jsmother@fcc.gov. Please specify your name, which session(s) that you would like to attend, and your firm or organization. Also provide a telephone number and email address where you can be contacted. You may also indicate what specific service(s) that interest you most. Seating is limited and will be assigned on a first-come, first-served basis. (*Note:* The ITC Training Room accommodates up to 14 persons per session, and you might have to share a computer monitor with another person.)
