NOTICE OF PROPOSED RULE MAKING

Adopted: October 12, 2000

Released: October 13, 2000

Comment Date: December 4, 2000
Reply Comment Date: December 19, 2000

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by KVOA Communications, Inc. ("KVOA"), licensee of station KRIS-TV, NTSC Channel 6, Corpus Christi, Texas. KVOA requests the substitution of DTV Channel 13 for station KRIS-TV's assigned DTV Channel 50.

2. KVOA states that station KRIS-TV serves the Corpus Christi, Texas DMA, which is ranked 127th. KVOA notes that the Commission has adopted a number of rules and policies to assist smaller market stations in recognition of the special burden that the implementation of digital television places on them, specifically the staggered DTV construction schedule. KVOA states its belief that it could reduce the costs of building and operating its DTV station by operating on VHF DTV 13. It notes that the operation on the VHF channel would improve the signal coverage for viewers in the Corpus Christi, Texas DMA. KVOA states that adoption of its proposal would result in a more efficient use of the broadcast spectrum.

3. We believe petitioner's proposal warrants consideration. DTV Channel 13 can be substituted for DTV Channel 50 at Corpus Christi, Texas, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (27-44-28 N and 97-36-08 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). However, since the community of Corpus Christi is located within 275 kilometers of the U.S.-Mexican border, concurrence by the Mexican government must be obtained for this allotment. Accordingly, we propose to substitute DTV Channel 13 for DTV Channel 50 for station KRIS-TV at Corpus Christi with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
TX Corpus Christi	13	160	291

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Corpus Christi, Texas	18, *23, 27, 47, 50	13, 18, *23, 27, 47

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before December 4, 2000, and reply comments on or before December 19, 2000, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

 1200 New Hampshire Avenue, NW
 Suite 800

 (Counsel for KVOA Communications, Inc.)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
