COMMON CARRIER BUREAU ISSUES LIST OF BELLSOUTH SERVICES AND MSAs APPROVED FOR PRICING FLEXIBILITY IN DECEMBER 15, 2000 PRICING FLEXIBILITY ORDER

CCB/CPD FILE NO. 00-20

On December 15, 2000, the Common Carrier Bureau (Bureau) granted BellSouth's petition for flexibility in the pricing of access services.¹ BellSouth's petition requested both Phase I and/or Phase II relief for various access services in a number of metropolitan statistical areas (MSAs) within its region. The Bureau found that BellSouth met the established standard to qualify for Phase I pricing flexibility for special access and dedicated transport services in 39 MSAs and Phase II pricing flexibility for special access and dedicated transport services in 38 MSAs. The Bureau also found that BellSouth met the established standard for Phase I pricing flexibility for special access channel terminations to end users in 37 MSAs and Phase II pricing flexibility for special access channel terminations to end users in 26 MSAs. Appendix A, attached hereto, lists the qualifying services, the relevant MSAs, and the relief granted.

For further information, contact Joi Roberson Nolen, Competitive Pricing Division, Common Carrier Bureau, (202) 418-1520.
