MM Docket No. 00-68

NOTICE OF PROPOSED RULE MAKING

Adopted: April 19, 2000

Released: April 21, 2000

Comment Date: June 12, 2000

Reply Comment Date: June 27, 2000

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by WTKR-TV, Inc. ("WTKR"), licensee of station WTKR-TV, NTSC Channel 3, Norfolk, Virginia. WTKR requests the substitution of DTV Channel 40 for its assigned DTV Channel 58.

2. In support of its request, WTKR states that its presently allotted DTV Channel 58 is not within the core group of television channels to be retained for broadcast use following the end of the DTV transition period. WTKR asserts that operation on DTV Channel 58 would require that it either switch its DTV operation to Channel 3 (its present NTSC channel) at the end of the transition period or that it shift its DTV operation to a totally new channel to determined by the Commission. In order to preserve the option of continuing to broadcast on its transitional DTV channel after the transition period has ended, WTKR requests the substitution of DTV Channel 40 for DTV Channel 58.

3. We believe petitioner's proposal warrants consideration. DTV Channel 40 can be substituted for DTV Channel 58 at Norfolk, Virginia, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates 36-48-56 N. and 76-28-00 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2).1 We propose to substitute DTV Channel 40 for DTV Channel 58 for station WTKR-TV at Norfolk with the following specifications:

1 Since WTKR's proposal exceeds 200 kW, the engineering staff conducted a special analysis based on all other DTV facilities operating at their allotted power, or 200 kW, whichever was greater, to ensure this proposal was acceptable.

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
VA Norfolk	40	1000	313

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Norfolk, Virginia	38, 46, 58	38, 40, 46

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before June 12, 2000, and reply comments on or before June 27, 2000, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the

Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
