## **TECHNOLOGICAL ADVISORY COUNCIL TO HOLD MEETING**

The FCC's Technological Advisory Council, a Federal Advisory Committee comprised of a broad array of well-known technologists and chaired by Dr. Robert Lucky, Corporate Vice President, Telcordia, will hold its first meeting Wednesday, June 13, 2001 at 10:00 a.m. in the Commission's meeting room at 445 12th St. S.W., Washington, D.C. Dr. Jules Bellisio, Chief Scientist and Executive Director, Telcordia Technologies, will serve as the Council's Executive Director. The list of Council members is appended to this notice.

The Council helps provide technological insights that the Commission needs to stay abreast of innovations in communications and related industries. The purpose of this first meeting under the Council's new charter will be to organize the Council's efforts to fulfill its responsibilities under the charter.

Members of the general public may attend the meeting. The Federal Communications Commission will attempt to accommodate as many persons as possible. Admittance, however, will be limited to the seating available. There will be no public oral participation unless requested by the Chair, but the public may submit written comments to Julius Knapp, the Council's Designated Federal Officer, before the meeting. Julius Knapp's email address is [jknapp@fcc.gov](mailto:jknapp@fcc.gov). His U.S. Postal Service mail address is Julius Knapp, Deputy Chief, Office of Engineering and Technology, Federal Communications Commission, 445 12<sup>th</sup> Street, SW, Washington, DC 20554.
