NOTICE OF PROPOSED RULE MAKING

Adopted: May 30, 2001

Released: June 8, 2001

Comment Date: July 30, 2001

Reply Comment Date: August 14, 2001

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a multiple docket Notice of Proposed Rule Making setting forth separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Rules. Each petitioner has stated that it will apply for its requested channel, if allotted. We believe that each proposal warrants consideration because it complies with our technical requirements and would serve the public interest.

2. This is a multiple docket Notice of Proposed Rule Making issued in response to a Commission Public Notice released October 2, 1998 (DA 98-1987). We are combining separate FM allotment proposals into a single Notice of Proposed Rule Making. Each proposal has its own docket and rule making number and the Commission's Reference Center will maintain a separate file for each docket. As discussed in the Public Notice, this procedure will conserve Commission resources and expedite the processing of FM allotment petitions for rule making by avoiding duplicative actions. We request comments and/or counterproposals to the following proposals:

Darien is governed by an elected mayor and a four-person city council. It has its own zip code (31305), post office, and newspaper (The Darien News), two public and three private schools, police and fire departments, two banks, 29 churches, two medical clinics, and twelve civic and social clubs. Its primary areas of employment are tourism and commercial fishing.

²Section 1.52 of the Commission's Rules requires that all pleadings filed by parties not represented by legal counsel be signed and verified by the petitioner and provide the petitioner's mailing address. 3. Comments, reply comments, counterproposals and other pleadings filed in response to this multiple docket Notice of Proposed Rule Making should reference **only** the specific docket to which the filing pertains. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or any summary of any new information shall be served by the person making the presentation upon the other parties to the proceeding in particular docket unless the Commission specifically

information included in the petition is correct and true to the best of his knowledge. Therefore, petitioner is requested to submit a subscription and verification statement in his comments to this Notice.

Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
