NOTICE OF PROPOSED RULE MAKING

Adopted: June 27, 2001

Released: July 6, 2001

Comment Date: August 27, 2001

Reply Comment Date: September 11, 2001

By the Chief, Allocations Branch:

1. The Commission considers herein a petition for rule making filed by Katherine Pyeatt (“petitioner”) requesting the allotment of Channel 292A to George West, Texas, as that community’s third local aural transmission service.<sup>1</sup> Petitioner expressed her intention to apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the allotment of Channel 292A to George West, Texas, since it could provide the community with an additional local FM transmission service. A staff engineering analysis has determined that Channel 292A can be allotted to George West consistent with the minimum distance separation requirements of Section 73.207(b)(1) of the Commission’s Rules provided the transmitter is located at least 12.7 kilometers (7.9 miles) west of the community at coordinates 28-20-33 NL and 98-14-45 WL. Additionally, as George West, Texas, is located within 320 kilometers (199 miles) of the U.S.-Mexico border, concurrence of the Mexican government to the proposed allotment of Channel 292A at that community will be required.

3. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission’s Rules, with respect to the community listed below, as follows:

<sup>1</sup> Petitioner’s proposal does not acknowledge that Channels 228C3 and 265A are presently allotted at George West.

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
George West, Texas	228C3, 265A	228C3, 265A, 292A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before August 27, 2001, and reply comments on or before September 11, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW; TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

Katherine Pyeatt  
6655 Aintree Circle  
Dallas, TX 75214

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b) and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment, which has not been served on the petitioner, constitutes an ex parte presentation and shall not be

considered in the proceeding. Any reply comment that has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposal in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached. Such comments and reply comments shall be accompanied by a certificate of service. (See Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.
