New Deadline is July 25, 2001

In a letter dated July 6, 2001, the Personal Communications Industry Association (PCIA) and the Industrial Telecommunications Association (ITA) were granted an extension of time to meet the mandatory electronic filing deadline for Land Mobile Phase I applications. The new deadline is July 25, 2001. In addition to extending the mandatory electronic filing deadline, the effective date of the “unified dismissal policy” has also been extended to July 25, 2001.
