**NOTICE OF PROPOSED RULE MAKING**

**Adopted: July 24, 2001**

**Released: July 27, 2001**

Comment Date: September 17, 2001  
Reply Comment Date: October 2, 2001

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Good Life Broadcasting, Inc. ("Good Life"), licensee of station WTGL-TV, NTSC channel 52, Cocoa, Florida. Good Life requests the substitution of DTV channel 53 for station WTGL-TV's assigned DTV channel 51.<sup>1</sup>

2. Good Life states that its desires to co-locate its NTSC/DTV facilities at a site located at the Bithlo antenna farm. Good Life claims that it could not co-locate WTGL-TV's assigned DTV channel at the antenna farm because it would cause prohibited interference to station WOGX(TV), Ocala, Florida, which operates on channel 51. While Good Life acknowledges that DTV channel 53 is a "non-core" channel, it claims that there is no alternative in-core DTV channel available for use at the WTGL-TV' s site at the Bithlo antenna farm.

3. We believe Good Life's proposal warrants consideration. DTV Channel 53 can be substituted for DTV Channel 51 at Cocoa, Florida, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (28-35-12 N. and 81-04-58W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel 53c for DTV Channel 51 for station WTGL-TV at Cocoa with the following specifications:

---

<sup>1</sup> On October 29, 1999, Good Life filed a petition for rule making requesting the substitution of DTV channel 25 for DTV channel 51. However, Good Life has determined that the substitution of DTV channel 53 is preferable and will enable Good Life to co-locate its NTSC and DTV facilities. Good Life requests the dismissal of its previously filed petition. Based upon our issuance of this *Notice*, Good Life petition for rule making requesting the substitution of DTV 25 for DTV 51, is hereby dismissed.

The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before September 17, 2001, and reply comments on or before October 2, 2001, and are advised to read the Appendix for the proper procedures. 7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the

Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
