**NOTICE OF PROPOSED RULE MAKING**

**Adopted: July 26, 2001**

**Released: July 31, 2001**

Comment Date: September 21, 2001  
Reply Comment Date: October 9, 2001

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Davis Television Clarksburg, LLC ("Davis"), licensee of Station WVFX(TV), NTSC channel 46, Clarksburg, West Virginia. Davis requests the substitution of DTV channel 10 for its assigned DTV channel 28 at Clarksburg.

2. Davis states that the adoption of its proposal will result in an increase of service to 191,796 persons. Davis claims that the initial capital costs and continuing operational costs for facilities to broadcast on DTV channel 10 will be much less expensive than operating on DTV channel 28. Davis asserts that the provision of service to hundreds of thousands of more people and significant reduction in costs, justifies adoption of its proposal.

3. We believe petitioner's proposal warrants consideration. DTV Channel 10 can be substituted for DTV Channel 28 at Clarksburg, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (39-18-02 N. and 80-20-37 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). Since the community of Clarksburg is located within 400 kilometers of the U.S.-Canadian border, concurrence by the Canadian government must be obtained for this allotment. We propose to substitute DTV Channel 10 for DTV Channel 28 for station WVFX at Clarksburg with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
WV Clarksburg	10	30	260

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Clarksburg, West Virginia	28, 52	10, 52

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before September 21, 2001, and reply comments on or before October 9, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Ross G. Greenberg  
 Leventhal, Senter & Lerman  
 Suite 600  
 2000 K Street, NW  
 Washington, DC 20006-1809

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8 For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the

Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
