**NOTICE OF PROPOSED RULE MAKING**

**Adopted: August 30, 2001**

**Released: September 5, 2001**

Comment Date: October 29, 2001  
Reply Comment Date: November 13, 2001

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by KSAX-TV, Inc. ("KSAX"), licensee of station KSAX(TV), NTSC channel 42, Alexandria, Minnesota. KSAX requests the substitution of DTV 36 for station KSAX(TV)'s assigned DTV channel 14.

2. KSAX states that the primary purpose of its proposal is to alleviate the short-spacing problems that exist on DTV channel 14 due to the allocation of land mobile radio services on adjacent frequencies. KSAX contends that it has determined that over 400 land mobile stations in the Alexandria vicinity could be affected. In contrast, KSAX asserts, the use of DTV channel 36 will avoid any interference problems with land mobile services and will permit KSAX to maximize its DTV operations.

3. We believe KSAX's proposal warrants consideration. DTV Channel 36 can be substituted for DTV Channel 14 at Alexandria, Minnesota, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates 45-41-59 N. and 95-10-35 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). However, since the community of Alexandria is located 400 kilometers from the U.S.-Canadian border, concurrence from the Canadian government must be obtained for this allotment. We propose to substitute DTV Channel 36 for DTV Channel 14 for station KSAX-TV at Alexandria with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
MN Alexandria	36	1000	340

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Alexandria, Minnesota	14, 24	24, 36

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before October 29, 2001, and reply comments on or before November 13, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the

Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
