Payments must be accompanied by a completed FCC Remittance Advice Form (FCC Form 159). On the same business day that the applicant pays the balance due to Mellon Bank, the applicant must fax a completed FCC Form 159 to Mellon Bank at (412) 209-6045 at least one hour prior to placing the order for the wire transfer. On the FCC Form 159, applicants must use the same FCC Taxpayer Identification Number (TIN) used on their FCC Form 601s.

When completing FCC Form 159, applicants must specify each license as a separate item. Applicants must type license number(s) in Block(s) 24A, 24B, 24C, and 24D ("FCC Code 2") of FCC Form 159. They must also type the auction number, "34," in Block(s) 23A, 23B, 23C, and 23D ("FCC Code 1"). As just noted, Form 159 provides sufficient boxes to list only four licenses. Applicants with five or more licenses must then use FCC Form 159-C ("Continuation Sheet") for the remainder of their licenses.

License numbers should be identified by typing "YC" (radio service code), followed by the market designator (EA), followed by the market number (001-173), and the frequency block (blocks D, DD, E, EE, F, FF or A, B, C). An example of a correct license number would be "YCEA001-D" or "YCEA152-FF." The radio service code, market designator, market number, and frequency block designations are listed in Attachment A.
