NOTICE OF PROPOSED RULE MAKING

Adopted: September 14, 2001

Released: September 19, 2001

Comment Date: November 13, 2001
Reply Comment Date: November 28, 2001

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Civic License Holding Company, Inc. ("Civic"), licensee of station KLTV(TV), NTSC channel 7, Tyler, Texas. Civic requests the substitution of DTV channel 10 for station KLTV(TV)'s assigned DTV channel 38.

2. Civic states that the issuance of a Notice Proposed Rule Making outlining its proposal would be consistent with the Commission's rule and policies that are designed to assist smaller market stations. Civic states that its station serves the Tyler-Longview, Texas DMA, ranked 108th in the United States. In further support of its proposal, Civic claims that the proposed channel substitution would permit Civic to reduce the impact of DTV build-out and operating costs. Civic maintains that adoption of the channel change would also permit the sharing of certain analog and digital equipment, thereby reducing potential tower structure loading problems.

3. We believe petitioner's proposal warrants consideration. DTV Channel 10 can be substituted for DTV Channel 38 at Tyler, Texas, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (32-32-23 N. and 95-13-12 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel 10 for DTV Channel 38 for station KLTC(TV) at Tyler with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
TX Tyler	10	7.0	302

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Tyler, Texas	38	10

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before November 13, 2001, and reply comments on or before November 28, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

 Dow, Lohnes & Albertson, PLLC
 1200 New Hampshire Avenue, NW
 Suite 800
 Washington, DC 20036-6802
 (Counsel for Civic License Holding Company, Inc.)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the

Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
