NOTICE OF PROPOSED RULE MAKING

Adopted: September 19, 2001

Released: September 28, 2001

Comment Date: November 19, 2001

Reply Date: December 4, 2001

By the Chief, Allocations Branch

1. The Commission has before it for consideration a Petition for Rule Making filed by Katherine Pyeatt ("Pyeatt") requesting the allotment of Channel 278A to La Pryor, Texas. Pyeatt stated that she would file an application for Channel 278A at La Pryor if the channel is allotted to the community.¹

2. We believe the proposal warrants consideration because the proposed allotment could provide a first local broadcast service to the community of La Pryor, Texas. In support of the proposal, Pyeatt submits that La Pryor has a population of 1,230 people, its own local government, post office, school district and 37 business establishments are located in La Pryor. A staff engineering analysis indicates that Channel 278A can be allotted to La Pryor consistent with the minimum distance separation requirements of the Commission's Rules provided there is a site restriction 8.9 kilometers (5.6 miles) west of the community.² Since the community of La Pryor is located within 320 kilometers of the U.S.-Mexican Border, concurrence of the Mexican Government will be requested for this allotment.

¹ Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel, be signed and verified by the commenting or petitioning party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission's Rules concerning rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also Amendment of Section 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes, 5 FCC Rcd 3911, 3919, N.41 (1990). Pyeatt is requested to rectify this omission in comments.

² The coordinates for Channel 278A at La Pryor are 28-58-09 and 99-56-05.

3. In view of the fact that the proposed allotment could provide a first local service to La Pryor, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 278A to La Pryor, Texas. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to La Pryor, Texas:

Community	Channel No.	
	Present	Proposed
La Pryor, Texas	-----	278A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before November 19, 2001, and reply comments on or before December 4, 2001, and are advised to read the Appendix for the proper procedures. 6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically

waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.
