**NOTICE OF PROPOSED RULE MAKING**

**Adopted: September 26, 2001**

**Released: October 5, 2001**

**Comment Date: November 26, 2001**

**Reply Date: December 11, 2001**

By the Chief, Allocations Branch

1. The Commission has before it for consideration a Petition for Rule Making filed by Linda Crawford (“Crawford”) requesting the allotment of Channel 235C3 at Rocksprings, Texas. Crawford stated that she would file an application for Channel 235C3 at Rocksprings if the channel is allotted to the community.

2. We believe the proposal warrants consideration because the proposed allotment could provide additional local FM broadcast service to the community of Rocksprings, Texas. Crawford submits that Rocksprings is an incorporated community with a population in excess of 1,400 people. Crawford also states that Rocksprings has its own local government, post office, city hall, fire department and numerous churches that serve the community. A staff engineering analysis indicates that Channel 235C3 can be allotted to Rocksprings consistent with the minimum distance separation requirements of the Commission’s Rules provided there is a site restriction 16 kilometers (9.9 miles) northwest of the community.<sup>1</sup> The site restriction will prevent a conflict with Station KCOR-FM, Channel 236C1, Comfort, Texas, and to the vacant allotment of Channel 234A at Brackettville, Texas. Since Rocksprings is located within 320 kilometers of the U.S.-Mexican border, concurrence of the Mexican Government will be requested for the allotment of Channel 235C3 at Rocksprings.

3. In view of the fact that the proposed allotment could provide additional service to Rocksprings,
