NOTICE OF PROPOSED RULE MAKING

Adopted: October 3, 2001

Released: October 12, 2001

Comment Date: December 3, 2001

Reply Comment Date: December 18, 2001

By the Chief, Allocations Branch

1. The Commission has before it for consideration a Petition for Rule Making filed by Charles Crawford ("Crawford") requesting the allotment of Channel 246A at Rosecommon, Michigan. Crawford stated that he would file an application for Channel 246A at Rosecommon if the channel is allotted to the community.

2. We believe the proposal warrants consideration because the proposed allotment could provide additional local FM broadcast service to the community of Rosecommon. Crawford submits that Rosecommon is a community with a population in excess of 1000 people. Crawford also states that Rosecommon has its own local government with a village manager, post office and volunteer fire department, townhall and a number of local churches. A staff engineering analysis indicates that Channel 246A can be allotted to Rosecommon consistent with the minimum distance separation requirements of the Commission's Rules provided there is a site restriction 4.2 kilometers (2.6 miles) northwest of the community.¹ The site restriction will prevent a conflict with Station WWCM, Channel 245A, Standish, Michigan. Since Rosecommon is located within 320 kilometers of the U.S.-Canadian border, concurrence of the Canadian Government will be requested for the allotment of Channel 246A at Rosecommon.

¹ The coordinates for Channel 264A at Rosecommon are 44-30-55 and 84-38-21.

3. In view of the fact that the proposed allotment could provide additional local service to Rosecommon, Michigan, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 246A to Rosecommon. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Rosecommon, Michigan:

Community	Channel No.	
	Present	Proposed
Rosecommon, Michigan	266A	246A, 266A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before December 3, 2001, and reply comments on or before December 18, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D. C., 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

 Dallas, Texas 75205

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes

an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.
