INNOVATIONS IN WIRELESS TECHNOLOGY

On October 30, at 2:30 p.m. to 4:30 p.m., in the Commission meeting room, Mark Desautels, Cellular Telecommunications & Internet Association Vice President for Wireless Internet Development, along with representatives of TBD, Verizon, Voicestream, Nextel, NextBus, Nokia, Qualcomm, OnStar, Aether Technologies, Openwave, Telephia and others, will present a tutorial on developments in wireless networks and technology, including wireless data, CDMA, TDMA, GSM, IDEN, wireless content, applications and market growth.

Those who wish to attend will be seated on a first-come first-serve basis. Reservations are neither accepted nor required.

For further information contact Robert Kimball at 202-418-2339 or TTY 202-418-2989. Real

Audio and streaming video access to the meeting will be available at <http://www.fcc.gov>.
