**NOTICE OF PROPOSED RULE MAKING**

**Adopted: October 10, 2001**

**Released: October 19 , 2001**

**Comment Date: December 10, 2001**

**Reply Date: December 26, 2001**

By the Chief, Allocations Branch

1. The Commission has before it for consideration a Petition for Rule Making filed by Charles Crawford (“Crawford”) requesting the allotment of Channel 241A at Birch Tree, Missouri. Crawford stated that he would file an application for Channel 241A at Birch Tree, if the channel is allotted to the community.

2. We believe the proposal warrants consideration because the proposed allotment could provide additional local FM broadcast service to the community of Birch Tree. Crawford submits that Birch Tree has a population in excess of 630 people. Crawford also states that Birch Tree has its own local government with a mayor, post office, school system, volunteer fire department, city hall and a number of local churches serving the community. A staff engineering analysis indicates that Channel 241A can be allotted to Birch Tree consistent with the minimum distance separation requirements of the Commission’s Rules provided there is a site restriction 10.5 kilometers (6.5 miles) southeast of the community.<sup>1</sup> The site restriction will prevent a conflict with Station KKID, Channel 240C3, Salem, Missouri.

---

<sup>1</sup> The coordinates for Channel 241A at Birch Tree are 36-55-36 and 91-24-23.

3. In view of the fact that the proposed allotment could provide additional local service to Birch Tree, Missouri, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 241A to Birch Tree. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Birch Tree, Missouri:

Community	Channel No.	
	Present	Proposed
Birch Tree, Missouri	296C3	241A, 296C3

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before December 10, 2001, and reply comments on or before December 26, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D. C., 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

Charles Crawford  
4553 Bordeaux Avenue  
Dallas, Texas 75205

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. However, any new written information elicited from such a request or a summary of any new oral

information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.
