NOTICE OF PROPOSED RULE MAKING

Adopted: October 17, 2001

Released: October 26, 2001

Comment Date: December 17, 2001

Reply Date: January 2, 2002

By the Chief, Allocations Branch

1. The Commission has before it for consideration a Petition for Rule Making filed by Katherine Pyeatt (“Pyeatt”) requesting the allotment of Channel 224A at Wickett, Texas. Pyeatt stated that she would file an application for Channel 224A at Wickett if the channel is allotted to the community.

2. We believe the proposal warrants consideration because the proposed allotment could provide a first local broadcast service to the community of Wickett, Texas. Pyeatt submits that Wickett is an incorporated community with a population of 529 people as of January 1, 1998, according to the Texas State Data Center and as of March 1999, 28 business establishments in Wickett had been given a credit rating by Dun & Bradstreet. Pyeatt also states that Wickett has its own local government, post office, city hall, fire department and numerous churches that serve the community. A staff engineering analysis indicates that Channel 224A can be allotted to Wickett consistent with the minimum distance separation requirements of the Commission’s Rules provided there is a site restriction 7.3 kilometers (4.6 miles) south of the community.¹ The site restriction will prevent a conflict with Station KNFM, Channel 222C, Midland, Texas. Since Wickett is located within 320 kilometers of the U.S.-Mexican border, concurrence of the Mexican Government will be requested for the allotment of Channel 224A at Wickett.

3. In view of the fact that the proposed allotment could provide a first local service to Wickett,

¹ The coordinates for Channel 224A at Wickett are 31-30-18 and 103-00-54.

Texas, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 224A to Wickett. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Wickett, Texas:

Community	Channel No.

Wickett, Texas	-----	224A

In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has

not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.
