FCC Form 159 (Remittance Advice)

Effective for all payments received by the Commission on and after December 3, 2001, the FCC Form 159, dated July 1997 will be obsolete. The latest version **dated February 2000 will be the only acceptable form**. The February 2000 version requires that you provide a FCC Registration Number (FRN) for both applicant(s) and payer. Those applications/filings received with the obsolete FCC Form 159 (dated July 1997) will be returned as unprocessable.

A copy of the acceptable version is available on the FCC website at <http://www.fcc.gov/fees>. Click on "Form 159" located on the left side of the page and you will be able to either print a copy of the latest version or complete the form online and then print.

If you have not obtained your FCC Registration Number (FRN), you may do so at the same time by logging on to our FCC website at <http://www.fcc.gov>. Click on "Commission Registration System" located on the left side of the page.

For further questions concerning obtaining an FRN, please contact our CORES Help Desk at 1-877-480-3201.

For all other questions, please contact the Revenue and Receivables Operations Group at (202) 418-1995.
