NOTICE OF PROPOSED RULE MAKING

Adopted: December 4, 2001

Released: December 6, 2001

Comment Date: January 28, 2002
Reply Comment Date: February 12, 2002

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Indiana Broadcasting, LLC ("Indiana Broadcasting"), licensee of station WANE-TV, NTSC channel 15, Fort Wayne, Indiana. Indiana Broadcasting requests the substitution of DTV channel 31 for station WANE-TV's assigned DTV channel 4.

2. Indiana Broadcasting states that the adoption of its proposal would permit station WANE-DT to operate an UHF channel in a market where each of the other NTSC TV stations were allotted DTV channels in the UHF band. It also contends that its channel substitution would enable the station to avoid potential technical problems with the lower VHF DTV channels. Indiana Broadcasting states that its channel substitution fully complies with all of the Commission's technical requirements.

3. We believe Indiana Broadcasting's proposal warrants consideration. DTV Channel 31 can be substituted for DTV Channel 4 at Fort Wayne, Indiana, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (41-05-38 N. and 85-10-48 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). However, since the community of Fort Wayne is located within 400 kilometers of the U.S.-Canadian border, concurrence from the Canadian government must be obtained for this allotment. We propose to substitute DTV Channel 31 for DTV Channel 4 for station WANE-DT at Fort Wayne with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
IN Fort Wayne	31	82	253

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Fort Wayne, Indiana	4, 19, 24, 36, *40c	19, 24, 31, 36, *40c

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before January 28, 2002, and reply comments on or before February 12, 2002, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

William H. Fitz

 (Counsel for Indiana Broadcasting, LLC)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the

Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached.
