## **Contact Telephone Numbers for Assistance with the FCC Registration Number (FRN)**

Effective December 3, 2001, entities doing business with the Commission must provide a FCC Registration Number (FRN) with applications, payments and other specified filings. The CORES Help Desk, at 1-877-480-3201, provides assistance to anyone seeking to obtain, use or research an FRN. However, if you require a password to be reset, or any other help with passwords, please call the FCC Technical Support Line at 202-414-1250.
