**NOTICE OF PROPOSED RULE MAKING**

Comment Date: February 4, 2002  
Reply Comment Date: February 19, 2002

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Media General Communications, Inc. ("Media General"), licensee of WCBD-TV, NTSC channel 2, Charleston, South Carolina. Media General requests the substitution of DTV channel 50 for station WCBD-TV's assigned DTV channel 59.

2. In support of its proposal, Media General states that it seeks to amend the Table of Allotments in order to enable station WCBD-DT to operate on a "core" channel. Media General notes that the Commission has granted numerous petitions for rule making proposing channel substitution of core allotments for out-of-core allotments. Furthermore Media General states that by changing channels now, WCBD-DT will eliminate the need to purchase an entire second DTV transmission system at the end of transition period, thus reducing its build out costs.

3. We believe Media General's proposal warrants consideration. DTV Channel 50 can be substituted for DTV Channel 59 at Charleston, South Carolina, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates 32-56-24 N. and 79-41-45 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel 50 for DTV Channel 59 for station WCBD-DT at Charleston with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
SC Charleston	50	1000	561

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Charleston, South Carolina	35, 40, *49, 52, 53, 59	35, 40, *49, 50, 52, 53

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before February 4, 2002, and reply comments on or before February 19, 2002, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the

clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
