NOTICE OF PROPOSED RULE MAKING

Adopted: February 7, 2001

Released: February 9, 2001

By the Chief, Allocations Branch:

Comment Date: April 3, 2001

Reply Comment Date: April 18, 2001

1. The Allocations Branch has before it the Petition for Rule Making filed by Radio South, Inc. (“Radio South”), licensee of Station WLXY, Channel 264C3, Northport, Alabama, requesting deletion of the Channel 263A allotment at Macon, Mississippi. In the alternative, Radio South requests the substitution of Channel 249A for Channel 263A at Macon.

2. In its Petition for Rule Making, Radio South notes that Channel 263A was allotted in MM Docket No. 97-188 on the basis of an expression of interest in this allotment by Metro Radio, Inc. (“Metro Radio”). 13 FCC Rcd 11061. Sixteen months after the release of the Report and Order, Metro Radio withdrew its interest in this allotment. As such, there is no longer any expression of interest in this allotment and the allotment should be deleted. The deletion would enable Station WLXY to upgrade to Class C1 allotment. In the event that there is an expression of interest filed in response to this Notice, Radio South proposes the allotment of an alternate channel to accommodate this interest.

3. We believe that the public interest would be served by proposing the deletion or substitution of the Channel 263A allotment at Macon, Mississippi, because it would permit Station WLXY to upgrade to a Class C1 allotment. A staff engineering review has determined that the proposed Channel 249A alternate allotment complies with the minimum separation requirements set forth in Section 73.207(b) of the Commission’s Rules.

4. Accordingly, we seek comment on the proposed amendments to FM Table of Allotments, Section 73.202(b) of the Commission’s rules, with respect to the community listed below, as follows:

<u>City</u>	<u>Present</u>	<u>Channel No.</u>	<u>Proposed</u>
Macon, Mississippi	263A		-----

5. The Commission's authority to institute rulemaking proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before April 3, 2001, and reply comments on or before April 18, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW, TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rulemaking proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Do Not Apply to Rule Making to Amend Sections 73.202(b) and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Robert Hayne, Mass Media Bureau, (202) 418-2177. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or its staff for the clarification or adduction of evidence or resolution of issues in this proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon any other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment, which has not been served on the petitioner, constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment that has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
