The application states that AGL Networks is a wholly owned subsidiary of AGL Resources Inc., a public company organized under the laws of the state of Georgia and a public utility holding company registered under the 1935 Act. AGL Networks is an associate company within the meaning of Section 2(a)(10) of the 1935 Act of the following public utility companies: Atlanta Gas Light Company, Chattanooga Gas Company and Virginia Natural Gas, Inc.

In accordance with 47 C.F.R. section 1.5004, if the Commission does not issue an order denying an ETC application within 60 days of receipt of the application, in this case by March 12, 2001, the application will be deemed granted as a matter of law. In accordance with 47 C.F.R. section 1.5003, a person applying in good faith for a Commission determination of ETC status is deemed to be an ETC from the date of receipt of the application, in this case from January 11, 2001, until the date of Commission action pursuant to 47 C.F.R. section 1.5004. In accord with 47 C.F.R. section 1.5005, the Secretary of the Commission is now notifying the Securities and Exchange Commission (SEC) that the Applicant is deemed to be an exempt telecommunications company. In the event that the Commission issues an order within 60 days of receipt of the

application denying the application, the Secretary will so notify the SEC. Otherwise, the Commission will take no further action to grant this application.
