RE: *SBC/Ameritech Merger Order*, CC Docket No. 98-141, ASD File No. 99-49

Dear Ms. Wagner:

This letter addresses the process for developing uniform business rules for completing local service requests submitted by competitive local exchange carriers (“CLECs”) pursuant to the *SBC/Ameritech Merger Order*.¹ As explained below, I grant SBC Communications, Inc.’s (“SBC”) request for a limited extension of time to prepare and submit a publicly-available Business Rules Plan of Record.

The *SBC/Ameritech Merger Order* requires SBC to develop jointly with CLECs, and deploy throughout its service territory, uniform business rules for completing CLEC local service requests.² Like the requirements for improving SBC’s operations support systems (“OSS”), the requirement to develop and deploy uniform business rules follows a three-phase approach that begins with a publicly-available Plan of Record (“Business Rules Plan of Record”) describing SBC’s overall plan. The *Merger Conditions* require SBC to submit the Business Rules Plan of Record no later than February 19, 2001, i.e., 150 days after completing the second phase in the development of uniform and enhanced OSS.³

In its February 13, 2001 letter, SBC requested a twenty-four day extension of time in order to complete certain collaborative sessions scheduled as part of its plan to implement uniform and enhanced

² *SBC/Ameritech Merger Order* at Appendix C, para. 31.

³ *SBC/Ameritech Merger Order* at Appendix C, para. 31(a) (specifying a deadline of 150 days after the completion of the Phase 2 collaborative sessions required by paragraph 28); *see* Letter from Carol E. Matthey, Deputy Chief, Common Carrier Bureau, FCC to James W. Calloway, Group President – SBC Services, Inc., DA 00-2172 (rel. Sept. 22, 2000) (concluding the Phase 2 collaborative sessions required by paragraph 28).

OSS.⁴ SBC explains that the broad range and multitude of issues delayed completion of the additional planned collaborative sessions. SBC further explains that quality and completeness of the Business Rules Plan of Record depend upon resolving certain issues during the additional collaborative sessions. I understand further that CLECs do not object to the requested limited extension of time. Because the additional time will facilitate SBC's preparation of the Business Rules Plan of Record, I grant SBC's request for additional time. Based on this extension, the applicable deadline under the *Merger Conditions* is March 15, 2001.

Please do not hesitate to contact me if I can be of further assistance. You may also contact Anthony Dale in the Common Carrier Bureau at (202) 418-2260 for further information on this matter.

Sincerely,

Carol E. Matthey
Deputy Chief, Common Carrier Bureau
