**ORDER**

**Adopted:** January 9, 2001

**Released:** January 10, 2001

By the Chief, Policy Division, Wireless Telecommunications Bureau:

1. On July 12, 2000, the Texas Commission on State Emergency Communications (TX-CSEC) filed an emergency petition for FCC compliance oversight regarding the six-month deadline for implementation of Phase I wireless E911 service<sup>1</sup> and a conditional petition for maximum sanctions against carriers who did not make Phase I E911 service operational by August 31, 2000.<sup>2</sup>

2. On November 29, 2000, TX-CSEC filed a Motion to Withdraw its Emergency Petition for FCC Compliance Oversight and Conditional Petition for Maximum Sanctions (motion) and indicated that it may pursue individual complaints against wireless licensees that have violated or continue to violate FCC rules. We find merit to the request to withdraw, and hereby grant this motion.

3. Accordingly, IT IS ORDERED THAT, pursuant to Sections 4(i) and 5(c) of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 155(c), and the authority delegated pursuant to sections 0.131 and 0.331 of the Commission’s rules, 47 C.F.R. §§ 0.131, 0.331, the motion to withdraw filed by TX-CSEC IS GRANTED.
