## **COMMON CARRIER BUREAU GRANTS SECTION 214 AUTHORIZATION FOR TLA SPECTRUM, LLC. TO ACQUIRE CONTROL OF COMMUNICATIONS DESIGN, INC.**

Pursuant to section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and sections 0.91, 0.291, and 63.01 of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, and 63.01, the Common Carrier Bureau (Bureau) approves the application requesting consent for TLA Spectrum, LLC (TLA) to acquire control of Communications Design, Inc. (CDI), which provides domestic interstate services pursuant to section 214 authority.<sup>1</sup> The requested authorization is related to an acquisition of corporate control by which TLA will acquire Saco River Telegraph and Telephone Company (SRTT). SRTT's wholly-owned subsidiary, Saco River Communications, will continue to hold all stock of CDI. No comments or petitions to deny were received in response to the public notice announcing that the application had been accepted for filing.<sup>2</sup>

The Bureau finds, upon consideration of the record, that the proposed transfer will serve the public interest, convenience and necessity, and therefore grants the requested authorization. Pursuant to section 1.103 of the Commission's rules, 47 C.F.R. § 1.103, the consent granted herein is effective upon release of this Public Notice. Petitions for reconsideration under section 1.106 or applications for review under section 1.115 of the Commission's rules, 47 C.F.R. §§ 1.106, 1.115, may be filed within 30 days of the date of this Public Notice.
