REPORT AND ORDER
(Proceeding Terminated)

Adopted: March 21, 2001

Released: March 30, 2001

By the Chief, Allocations Branch:

1. This Order amends Section 73.202(b) of the Commission's Rules, the Table of FM Allotments, to specify the classes of channels allotted to various communities. These amendments are necessary to reflect changes that have been authorized in response to applications filed by licensees and permittees operating on these channels. This action is taken pursuant to Revision of Section 73.3573(a)(1) of the Commission's Rules concerning the Lower Classification of an FM Allotment, 4 FCC Rcd 2413 (1989), and the Amendment of the Commission's Rules to Permit FM Channel and Class Modifications [Upgrades] by Application, 8 FCC Rcd 4735 (1993). The attached Appendix shows the Table, as amended, for those communities.

2. This action constitutes an editorial change in the Table of Allotments. Therefore, we find for good cause that a public notice and comment proceeding is unnecessary. See 5 U.S.C. 553(b)(A) and (B).

3. For further information concerning this proceeding, contact Kathleen Scheuerle, Mass

Media Bureau, (202) 418-2180.

¹ Although Section 73.202(b) of the Commission's Rules shows Channel 233A at Wake Village, Texas, that is incorrect. MM Docket No. 96-236 allotted Channel 223A to Wake Village, Texas. See 62 FR 22895, April 28, 1997. The above-listed change is correctly substituting Channel 223C3 for Channel 223A at Wake Village.

² Station WGTK was modified in MM Docket No. 98-72 by substituting Channel 265C2 for Channel 265A. The license was further modified by granting a request to reallocate Channel 265C2 from Middlebury, Vermont, to Berlin, Vermont, as the new community of license. See 65 FR 3150, January 20, 2000.
