Applicants state that the total ultimate foreign ownership of PTI is currently 72.1 percent.

MTC is the incumbent local exchange carrier in the CNMI and wholly owns GTE Pacifica, doing business as Verizon Pacifica, which provides domestic and international telecommunications services in the CNMI through the use of cellular radiotelephone, satellite and cable facilities. PTI also requests that it be provided flexibility for an additional 15 percent foreign investment by entities or individuals from WTO Member countries, for a total of up to 87.1 percent indirect foreign ownership.
