**NOTICE OF PROPOSED RULE MAKING**

**Adopted: December 6, 2002**

**Released: December 13, 2002**

Comment Date: February 3, 2003

Reply Comment Date: February 18, 2003

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by Two Ocean Broadcasting Company (“Two Ocean”), licensee of station KJWY-TV, NTSC channel 2, Jackson, Wyoming. Two Ocean requests the substitution of DTV channel 4 for DTV channel 14.

2. According to Two Ocean, antenna space at its leased site is very limited and the owner of the site has declined to provide adequate space for the originally allocated VHF facility. The space limitation concerns not only effect the antenna itself but also room inside the available transmitter building to place a VHF transmitter. Adoption of its proposal, asserts Two Ocean, would enable it to change the equipment to conform to the limited space available at its transmitter site. Additionally, Two Ocean states that operating on a VHF channel would substantially reduce its operating costs and improve DTV reception within its service area.

3. We believe Two Ocean's proposal warrants consideration. DTV Channel 4 can be substituted for DTV Channel 14 at Jackson, Wyoming, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates 43-20-42 N. and 100-45-10 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel 4 for DTV Channel 14 for station WJWY-DT at Jackson with the following specifications:

| State & City | DTV Channel | DTV power (kW) | Antenna HAAT (m) |
|--------------|-------------|----------------|------------------|
|--------------|-------------|----------------|------------------|

|            |   |   |     |
|------------|---|---|-----|
| WY Jackson | 4 | 1 | 300 |
|------------|---|---|-----|

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

| <u>City</u>      | <u>Channel No.</u> |                 |
|------------------|--------------------|-----------------|
|                  | <u>Present</u>     | <u>Proposed</u> |
| Jackson, Wyoming | 14                 | 4               |

5. The Commission's authority to institute rule-making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before February 3, 2003, and reply comments on or before February 18, 2003, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by

any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
