<u>ORDER</u>

Adopted: March 20, 2002 **Released:** March 22, 2002

By the Chief, Allocations Branch:

- 1. The Allocations Branch has before it an Application for Review filed by Community Wireless of Park City, Inc. (Community Wireless") directed to the staff action returning a Petition for Rule Making filed by Community Wireless proposing channel substitutions at existing stations in Salt Lake City, Coalville and Park City, Utah.
- 2. On November 11, 2001, Community Wireless filed a letter stating that subsequent to the filing of its Petition for Rule Making, we granted applications upgrading the facilities of two of the stations involved in its rulemaking proposal. As such, it is no longer necessary to go forward with the channel substitutions set forth in its Petition for Rule Making. For this reason, Community Wireless requests that its Application for Review be dismissed.
- 2. Accordingly, IT IS ORDERED, That the aforementioned Application for Review filed by Community Wireless of Park City, Inc. IS HEREBY DISMISSED.
