MEDIA BUREAU ACTION

Media Bureau Implements New EEO Form; Mandatory Electronic Filing of FCC Form 396 MM Docket No. 98-204

By this Public Notice the Media Bureau announces mandatory electronic filing for the following FCC Form:

- FCC 396, Broadcast Equal Employment Opportunity Program Report (March 2003 Edition).

Mandatory electronic filing commenced on April 1, 2003. Paper versions of these forms will not be accepted for filing after April 1, 2003, unless accompanied by an appropriate request for waiver of the electronic filing requirement. Users can access the electronic filing system *via* the Internet from the Media Bureau's Web Site at:

<http://www.fcc.gov/mb>

Pursuant to the *1998 Biennial Regulatory Review – Streamlining of Mass Media Applications, Rules and Processes*, 13 FCC Rcd 23056 (1998) (*Streamlining Order*), mandatory electronic filing was to commence six-months after a given form was made available for electronic use. The then Mass Media Bureau made FCC Form 396 available for electronic use more than six months ago. The form was made available in connection with a broadcast Equal Employment Opportunity (“EEO”) rule adopted in February 2000 that was subsequently vacated as a result of a Court order. As a result of the Court’s action, the prior version of Form 396 was suspended in January 2001. The current version was adopted by the *Second Report and Order and Third Notice of Proposed Rule Making in MM Docket No. 98-204*, 17 FCC Rcd 24018 (2002), that adopted a new broadcast EEO rule. It is substantially similar to the version adopted in February 2000.

In the *Streamlining Order*, which announced the Commission’s electronic filing requirement, the Commission recognized the need for limited waivers of this requirement in light of the “burden that electronic filing could place upon some licensees who are seeking to serve the public interest, with limited resources, and succeed in a highly competitive local environment.” 13 FCC Rcd 23061. However, such waivers will not be routinely granted and the applicant must plead with particularity the facts and circumstances warranting relief.

Instructions for use of the electronic filing system are available in the CDBS User’s Guide which can be accessed from the electronic filing web site. Special attention should be given to the details of the

applicant account registration function, form filing function, and the fee form handling procedures, if a fee is required. Failure to follow the procedures in the User's Guide may result in an application being dismissed, returned, or not considered as officially filed.

Internet access to the CDBS public access system at the Commission's Web Site requires a user to have a browser such as Netscape version 3.04 or Internet Explorer version 3.51, or later.

For technical assistance using the system or to report problems, please contact the CDBS Help Desk at (202) 418-2MMB. To request additional information concerning specific broadcast applications, please call (202) 418-2700 (radio forms) or (202) 418-1600 (television forms).
