**Section 214 Application**

**Applicant: LDMI Telecommunications, Inc.**

On **April 22, 2003**, **LDMI Telecommunications, Inc.** (LDMI or Applicant) located at **8801 Conant Avenue, Hamtramck, Michigan 48211** filed an application with the Federal Communications Commission (FCC or Commission), requesting authority under section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 214(a), and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of domestic telecommunications services to its payphone service provider customers located in Michigan and Ohio.

The application indicates that LDMI plans to discontinue the provision of local and long distance telecommunications services, including operator services, that it currently provides to its payphone service provider customers. LDMI states that the proposed discontinuance of service will affect payphone service providers that are located in Michigan and Ohio, and that it provided written notice to these payphone service providers on April 21, 2003. LDMI states that it plans to discontinue its provision of these services on May 30, 2003, or as soon thereafter as the necessary government approval can be obtained.

In accordance with 47 C.F.R. § 63.71(c), the application will be deemed to be automatically granted on the thirty-first (31<sup>st</sup>) day after the release date of this notice, unless the Commission has notified the Applicant that the grant will not be automatically effective. Accordingly, pursuant to section 63.71(c), LDMI cannot legally terminate service to its customers until at least the thirty-first day after the release of this Public Notice, in this case, May 31, 2003. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a “permit but disclose” proceeding for purposes of the Commission's ex parte rules, 47 C.F.R. §§ 1.1200 - 1.1216. Comments objecting to this application must be filed with the Commission on or before **May 14, 2003**. Such comments should refer to **Comp. Pol. File No. 648**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. The original and four (4) copies of the comments should be sent to the Office of the Secretary, Federal Communications Commission, 445 12<sup>th</sup> Street, S.W., Room TW-A325, Washington, D.C. 20554. Two (2) copies of the comments should also be sent to the Competition Policy Division, Wireline Competition Bureau, Federal Communications Commission, 445 12<sup>th</sup> Street, S.W., Room 6-A207, Washington, D.C. 20554, Attention: Carmell Weathers.
