Any exhibits to be attached to an application in response to a question on the Main Form or Schedule B of FCC Form 601 or as specified in the Commission’s Rules should be identified as specified in the instructions to the FCC Form 601. Applicant should use the Attachment screen provided within the electronic filing software to submit these exhibits as uploaded files and should select the appropriate attachment type. document. See http://wireless.fcc.gov/uls/support/help/help_attach.html for a full list of acceptable file formats. Do Not add password protection to attached files.

Any exhibits to be attached to an application as a result of our rule requirements should be uploaded and identified as follows:

<u>Title</u>	<u>Required From</u>

Exhibit B: Foreign Ownership	If Applicable
Exhibit C: Designated Entities	Designated Entity Applicants
Exhibit D: Agreements & Other Instruments	If Applicable
Exhibit E: Confidentiality Requests	If Applicable
Exhibit F: Waiver Requests	If Applicable
Exhibit H: Miscellaneous Information	If Applicable
Exhibit X: Tribal Government Certification	If Applicable ¹

As specified in the instructions to the FCC Form 601, each page of each exhibit must be identified with the number or letter of the exhibit, the number of the page of the exhibit, and the total number of pages of the exhibit.

EXHIBIT A: OWNERSHIP INFORMATION

Section 1.2112 of the Commission’s Rules requires that each applicant for a license shall disclose fully the real party- or parties-in-interest. See 47 C.F.R. § 1.2112(a). To provide this information, applicant should upload a file, select Attachment Type “Ownership,” and enter “**Exhibit A: Ownership**” in the File Description field on the Attachment Screen.

Applicant should provide the information concerning the applicant (*i.e.*, real party- or parties-in-interest), and the ownership interests held in the applicant and in investors in the applicant, in the format described below. The application shall be clear and complete in itself without cross-reference to information previously filed. All pages should be clearly labeled to indicate the Exhibit and Item number to which those pages relate.

Part 1: Direct Ownership: Applicant must provide information regarding its direct ownership as follows:

- *General Rule:* The applicant must provide the name, address, and citizenship of any party holding 10 percent or more of stock in the applicant, whether voting or nonvoting, common or preferred, including the specific amount of the interest or percentage held. See 47 C.F.R. § 1.2112(a)(1).

¹ An applicant seeking a tribal lands bidding credit must attach all tribal government certifications, applicant certifications, and waiver exhibits, as applicable, within 90 days of filing their long-form application. See discussion in Section IV. The applicant does not need to include these attachments in an application in which a tribal lands bidding credit is not being sought.

² See *id.*

³ See *id.*

- If the applicant is a general partnership, provide the name, address, and citizenship of each partner, and the share or interest participation in the partnership. *See* 47 C.F.R. § 1.2112(a)(3).
- If the applicant is a limited partnership, provide the name, address, and citizenship of each limited partner whose interest in the applicant is 10 percent or greater (as calculated according to the percentage of equity paid in or the percentage of distribution of profits and losses). *See* 47 C.F.R. § 1.2112(a)(2).
- If the applicant is a limited liability company, provide the name, address, and citizenship of each of its members whose interest in the applicant is 10 percent or greater. *See* 47 C.F.R. § 1.2112(a)(4).

Part 2: Indirect Ownership: Applicant must identify all parties holding indirect ownership interests in the applicant, as determined by successive multiplication of the ownership percentages for each link in the vertical ownership chain, that equals 10 percent or more of the applicant, except that if the ownership percentage for an interest in any link in the chain exceeds fifty percent or represents actual control, it shall be treated and reported as if it were a one hundred percent interest. *See* 47 C.F.R. § 1.2112(a)(5).

Part 3: Other Disclosable Interests and Entities: Applicant must list any FCC-licensed entity or applicant for an FCC license in which the applicant or any of the parties identified in Sections 1.2112(a)(1)-(5) of the Commission’s Rules owns 10 percent or more of stock, whether voting or nonvoting, common or preferred. This list must include a description of each such entity’s principal business and a description of each entity’s relationship to the applicant. *See* 47 C.F.R. § 1.2112(a)(6).

Note: Applicant may provide information required in Parts 1 through 3 above by scanning and attaching a copy of their current FCC Form 602 (in Adobe PDF) as an exhibit to FCC Form 601. To avoid inadvertent disclosure of TIN information, applicants submitting a copy of FCC Form 602 as an attachment to FCC Form 601 should not include TIN information on the copy of FCC Form 602 or should block out this information. Applicant is reminded, however, that a current FCC Form 602, must be filed, or be on file, by the filing deadline for the FCC Form 601. *See* discussion in Section V.

EXHIBIT B: FOREIGN OWNERSHIP

If the applicant has responded “yes” to either Question 40, 41, 42, 43, or 44 on the FCC Form 601, it must explain the circumstances regarding foreign ownership in the applicant. To provide this information, the applicant should select Attachment Type “Ownership” and enter “**Exhibit B: Foreign Ownership**” in the File Description field on the Attachment Screen. For every direct or indirect foreign owner, applicant should provide the following information:

Item (1) Percentage of Interest: Identify each foreign owner’s percentage of ownership in the applicant.

Item (2) Country of Origin and Address: List each foreign owner’s country of origin and principal place of business.

Item (3) Public Interest Statement: Demonstrate how allowing the applicant to hold the requested license is consistent with the Commission’s policies pursuant to Section 310(b)(4) of the Communications Act of 1934, as amended. In the *Foreign Participation Order*,⁴ the Commission stated that there is a

presumption that indirect foreign ownership of common carrier radio licenses by entities whose home markets are World Trade Organization (WTO) Members is in the public interest. If more than twenty-five percent of the ownership of an entity that controls a common carrier radio license is attributable to parties whose home markets are non-WTO member countries, the Commission will evaluate whether those markets offer effective competitive opportunities to U.S. investors. *See Foreign Participation Order*, 12 FCC Rcd 23891, 23935-42, 23946, at ¶¶ 97-118, 131.

Item (4) Petitions for Declaratory Ruling: As explained in the Commission's *Foreign Participation Order*, licensees must seek the Commission's prior approval before accepting indirect foreign ownership that causes them to exceed Section 310(b)(4)'s twenty-five percent benchmark. *See id.* In keeping with this pre-approval process, an auction applicant is required to certify in their FCC Form 175 application that they either are in compliance with the foreign ownership requirements of Section 310 or that they have filed a request for relief from those requirements that is pending with the Commission. *See* 47 C.F.R. § 1.2105(a)(2)(v), (vi). Similarly, where foreign ownership is at issue, an applicant must indicate in their FCC Form 601 application that they either have received a declaratory ruling that grants them permission to exceed the statutory benchmark of Section 310(b)(4) or that they have a request currently pending at the Commission. Applicant is advised that petitions for declaratory ruling to exceed the Section 310(b)(4) benchmark must be granted before any license for which the applicant is a high bidder may be granted.

Petitions for a declaratory ruling to exceed the Section 310(b)(4) twenty-five-percent statutory benchmark should be addressed to the Secretary, with a copy to the Telecommunications Division of the International Bureau, and must be filed in paper form. There is no fee associated with such a filing. Applicant should be aware that, under the relevant precedent, including the Commission's *Foreign Participation Order*, streamlined processing is possible for petitions involving investment from WTO Members that do not raise any other potentially complex foreign ownership issues. The Commission may conclude that a particular petition of this type is not eligible for streamlined processing. If more than twenty-five percent of the ownership of an entity that controls a common carrier radio license is attributable to parties whose home markets are non-WTO Members, such petitions are not eligible for streamlined processing, and these petitioners should contact the Telecommunications Division of the International Bureau to discuss processing of their petitions. Inquiries regarding compliance with Section 310 of the Communications Act and the filing and processing of petitions for declaratory ruling should be directed to Claudia Fox, Chief of the Policy and Facilities Branch, Telecommunications Division, International Bureau, at (202) 418-1527.

Each mutually independent small business has to have average gross revenues that are not more than **\$40 million** for the preceding three years. *See* 47 C.F.R. §§ 1.2110(b)(3)(i), 27.906(a)(3). Each mutually independent very small business has to have average annual gross revenues that are not more than **\$15 million** for the preceding three years. *See* 47 C.F.R. §§ 1.2110(b)(3)(i), 27.906(a)(3). In order to demonstrate eligibility for any such designated entity status, applicant must upload a file, select Attachment Type “Ownership” and enter “**Exhibit C: Designated Entities**” in the File Description field on the Attachment screen. In the exhibit, applicant should include the applicable information:

- (i) Identify the applicant’s claimed eligibility status.
- (ii) Calculate the Gross Revenues:

For Small and Very Small Businesses: For purposes of determining whether an entity is an small or very small business, the gross revenues of the applicant, its affiliates, its controlling interests, and affiliates of its controlling interests shall be considered on a cumulative basis and aggregated. *See* 47 C.F.R. §§ 1.2110(b)(1), 1.2112(b)(2)(iii). To comply, provide in accordance with Section 1.2110(n) of the Commission’s Rules, 47 C.F.R. § 1.2110(n), the gross revenues for the most recently completed three calendar or fiscal years preceding the filing of the applicant’s FCC Form 175, separately for the applicant, each of its affiliates, each of its controlling interests, and each of the affiliates of its controlling interests. *See* 47 C.F.R. § 1.2112(b)(2)(iii); *see also* 47 C.F.R. § 1.2110(b)(3), (n). Gross revenues shall mean all income received by an entity, whether earned or passive, before any deductions are made for costs of doing business, as evidenced by audited financial statements. If the applicant does not use audited financial statements, its gross revenues may be certified by its chief financial officer or its equivalent and must be prepared in accordance with Generally Accepted Accounting Principles. If an entity was not in existence for all or part of the preceding three years, gross revenues shall be evidenced by the audited financial statements of the entity’s predecessor-in-interest or, if there is no identifiable predecessor-in-interest, unaudited financial statements certified by the applicant as accurate. *See* 47 C.F.R. § 1.2110(n).

Calculate the average gross revenues separately for the applicant, each affiliate, each of its controlling interests, and each affiliate of the applicant's controlling interests for those three years. Provide the aggregate average gross revenues for the applicant, its affiliates, its controlling interests, and affiliates of its controlling interest for those three years. *See* 47 C.F.R. §§ 1.2110(b)(1), 1.2112(b)(2)(iii).

For Consortia of Small and Very Small Businesses: An applicant that applied as a small or very small business consortia as defined in Sections 1.2110(b)(3)(i) and 27.906(a)(3) of the Commission's Rules, 47 C.F.R. §§ 1.2110(b)(3)(i), 27.906(a)(3), must compute and indicate gross revenues as outlined above for *each* small or very small business in the consortium. That is, each business entity comprising the small or very small business consortium must qualify and show gross revenues separately. The average gross revenues of all of the small or very small businesses in the consortium shall not be aggregated. *See* 47 C.F.R. §§ 1.2110(b)(3)(i), 27.906(a)(3).

(iii) Controlling Interests and Affiliates:

All controlling interests and affiliates, as defined by the Commission's Rules, must be included in the gross revenue calculations discussed above. *See* 47 C.F.R. § 1.2110(c)(2), (c)(5). Please note the following:

- Officers and directors of the applicant or of an entity that controls the applicant are considered to have a controlling interest in the applicant. *See* 47 C.F.R. § 1.2110(c)(2)(ii)(F).
- Any person who manages the operations of an applicant pursuant to a management agreement may be considered to have a controlling interest in the applicant. *See* 47 C.F.R. § 1.2110(c)(2)(ii)(H).
- Any licensee or its affiliate who enters into a joint marketing arrangement with an applicant or its affiliate may be considered to have a controlling interest in the applicant. *See* 47 C.F.R. § 1.2110(c)(2)(ii)(I).

(iv) Minority-Owned and Women-Owned Business and Rural Telephone Companies

We are interested in the status of applicants as minority-owned and women-owned businesses and rural telephone companies for statistical purposes, even if the applicant is ineligible for bidding credits. *See* 47 C.F.R. § 1.2110(c)(3), (4).

EXHIBIT D: AGREEMENTS & OTHER INSTRUMENTS

Applicant must provide a detailed explanation of the terms and conditions and parties involved in any bidding consortia, joint ventures, partnerships or other agreements or arrangements entered into relating to the competitive bidding process prior to the time the bidding was completed. *See* 47 C.F.R. § 1.2107(d).

Applicant claiming designated entity status must list and summarize all agreements or instruments (with appropriate references to specific provisions in the text of such agreements and instruments) that support the applicant's eligibility as a small or very small business or a consortium of small or very small businesses, including the establishment of *de facto* and *de jure* control. *See* 47 C.F.R. § 1.2112(b)(2)(i). Such agreements and instruments include, but are not limited to, articles of incorporation and bylaws, shareholder agreements, voting or other trust agreements, partnership agreements, management agreements, joint marketing agreements, franchise agreements, and any other relevant agreements (including letters of intent), oral or written. *See* 47 C.F.R. § 1.2112(b)(2)(i). The applicant also must list and summarize any investor protection agreements, including rights of first refusal, supermajority clauses, options, veto rights, and rights to hire and fire employees and to appoint members to boards of directors or management committees. *See* 47 C.F.R. § 1.2112(b)(2)(ii).

To comply with these requirements, applicant may submit either the agreements themselves or a detailed summary of those agreements. Applicant should upload the information in a file, select Attachment Type “Other” and enter “**Exhibit D: Agreements & Other Instruments**” in the File Description field on the Attachment screen. An applicant choosing to submit the agreements may elect to seek confidentiality for those documents pursuant to section 0.459 of the Commission’s Rules. *See* 47 C.F.R. § 0.459; *see also* discussion of confidentiality requests under “Confidentiality Requests” below.

EXHIBIT E: CONFIDENTIALITY REQUESTS

Applicant should be aware that all information required by the Commission’s Rules in connection with applications to participate in spectrum auctions is necessary to determine the applicants’ qualifications and, as such, will be available for public inspection. Required proprietary information may be redacted, and confidentiality may be sought pursuant to Section 0.459 of the Commission’s Rules. *See* 47 C.F.R. § 0.459. An applicant requesting confidential treatment for any information required as a condition to participate in the auction must follow the procedures set out in Section 0.459 of the Commission’s Rules. *See* 47 C.F.R. § 0.459. (An applicant submitting confidentiality requests should be aware that 47 C.F.R. § 0.459 was recently amended to set out more clearly what should be contained in a request that information not be made routinely available for public inspection. *See* Examination of Current Policy Concerning the Treatment of Confidential Information Submitted to the Commission, GC Docket No. 96-55, *Report and Order*, 13 FCC Rcd 24816 (1998)). Because the required information bears on an applicant’s qualifications, the Commission envisions that confidentiality requests will not be granted routinely.

If an applicant has sought confidential treatment of any information, it must attach a statement explaining the request and referencing the particular information for which confidential treatment has been requested. To provide this information, applicants should upload this statement as a file, select Attachment Type “Confidentiality” and enter “**Exhibit E: Confidentiality Requests**” in the File Description field on the Attachment Screen.

Note: Applicant must select Attachment Type “Confidentiality” for the particular exhibit for which they are requesting confidential treatment. Otherwise, the attachment will be available for public inspection.

EXHIBIT F: WAIVER REQUESTS

Note: This part does not apply to tribal lands waiver requests. For tribal lands waiver requests, *see* Section IV, “Exhibit Y: Tribal Lands Waiver Requests.”

In the event that a winning bidder wishes to file a request for waiver, the request should be filed with the corresponding application. Applicant should upload this waiver request as a file, select Attachment Type “Waiver” and enter “**Exhibit F: Waiver Requests**” in the File Description field on the Attachment screen.

Waiver requests filed after the submission of the FCC Form 601 may result in a delay of the processing of the application. If a request for waiver is filed separately from the FCC Form 601, such request must refer to the corresponding application, including its file number.

EXHIBIT H: MISCELLANEOUS INFORMATION

In the event that a winning bidder wishes to provide any additional information that does not fall within any of the other exhibits, these documents or files should be submitted by selecting Attachment Type “Other” and entering “**Exhibit H: Miscellaneous Information**” in the File Description field on the Attachment Screen.

IV. INSTRUCTIONS FOR APPLICANT SEEKING TRIBAL LANDS BIDDING CREDITS

Filing the Long-Form Application: A winning bidder interested in receiving a tribal lands bidding credit must indicate on the long-form application (FCC Form 601, Schedule B) they will seek the credit by clicking on the appropriate box. *See* 47 C.F.R. §§ 1.2107(e), 1.2110(f)(3). For a list of the tribal lands, go to the Auction website at <http://wireless.fcc.gov/auctions> and click on “Tribal Land Credits,” and then click on “Cross References.” Instructions for applying for tribal lands bidding credits through ULS are also provided at the above-referenced website. Click on “Tribal Land Credits,” and then click on “ULS Application Instructions.” For additional information on the tribal land bidding credit, applicants should review the Commission’s rule making proceeding regarding tribal land bidding credits and related public notices.⁵

An applicant indicating that they intend to serve a qualifying tribal land will have an additional 90 days after the long-form application deadline within which to secure the necessary certifications from tribal authorities. Within this 90-day period, the applicant must amend their application to provide the requisite tribal information and provide the applicant certification.

An applicant that intends to apply for tribal lands bidding credits must do so by the filing deadline for the long-form applications. An applicant will not be permitted to amend their application after the filing deadline to indicate that they intend to seek a tribal lands bidding credit. However, it is possible for an applicant to amend an application to indicate that they no longer intend to seek tribal lands bidding credits. An applicant that elects to seek the tribal lands bidding credit when they initially submit the long-form application, but then subsequently decide not to seek the credit, should amend their application to delete the request for the tribal lands bidding credit.

Amending the Long Form Application: Within the 90-day period, the applicant must re-enter ULS to amend the long-form application. *See* 47 C.F.R. § 1.2110(f)(3)(ii).

- Enter the applicant’s FRN and password **or** TIN/SGIN and password into the ULS Filing Screen.

Note: An FRN is required to access ULS. See Attachment E for additional information.

- Select “Amendment” from the drop-down list and click **Continue**.
- Select the file number for the application to be amended.
- The system will display the first page of the long-form 601. If you are requesting a waiver pertaining to the tribal lands information or bidding credit, select “yes” for the third question on this page. Click **Continue** when done.
- ULS will present a table, the Schedule B, consisting of the market selected by the applicant on the initial long-form application, along with the box indicating whether or not tribal lands bidding credit is being sought for the market. Click **Continue**.
- ULS will present a drop-down list consisting of the market where a tribal lands bidding credit is being sought. Select the market for which you have tribal government certifications and click “Edit Tribal Lands.”
- ULS also will provide the names of the federally recognized tribal lands and the square kilometers of each tribal land. Where a tribal lands bidding credit is being sought, the applicant must mark the tribal lands that it intends to serve and attach a signed, tribal government certification from each of the federally recognized tribal governments and an applicant certification. See “**Exhibit X: Tribal Government Certification**” and “**Exhibit Z: Applicant Certification**.”

ULS will calculate the bidding credit amount for automatically, according to the size (in square kilometers) of the tribal territory, and in compliance with the bidding credit limit. See 47 C.F.R. § 1.2110(f)(3)(iii), (iv).

If the applicant is seeking a bidding credit in excess of the amount calculated pursuant to Section 1.2110(f)(3), the applicant must submit a waiver request, pursuant to Section 1.925 of the Commission’s Rules. See 47 C.F.R. § 1.925. Each waiver request will be evaluated on a case-by-case basis. See “**Exhibit Y: Tribal Lands Waiver Requests**.”

EXHIBIT X: TRIBAL GOVERNMENT CERTIFICATION

Within the 90-day period, the applicant must amend its long-form application to provide the required tribal government certifications for each tribal land identified in the application. See 47 C.F.R. § 1.2110(f)(3)(ii)(A). The tribal government certifications **must be signed** by an officer, allotment owner(s), or corporate officer of the tribal lands, Indian allotment, or Alaska Native land, respectively, and uploaded as an Adobe Portable Document Format (PDF). Each tribal government certification should be attached separately by selecting Attachment Type “Tribal Government Certification” and entering “**Exhibit X: Tribal Government Certification**” in the Description Field on the Attachment Screen. In addition, the Description Field should indicate the market and tribal lands to which the certification pertains (e.g., “Exhibit X: Tribal Government Certification (“Acoma Pueblo”).

A tribal government certification must state that:

1. The tribal area to be served by the winning bidder is a federally-recognized Indian tribe’s reservation, Pueblo, Colony, Alaska Native region, or Indian allotment, and has a wireline telephone subscription rate at or below seventy (70) percent;

2. The tribal government has not and will not enter into an exclusive contract with the applicant precluding entry by other carriers, and will not unreasonably discriminate among wireless carriers seeking to provide service on the qualifying tribal land; and
3. The tribal government will permit the applicant to site facilities and provide service on its tribal land.

See 47 C.F.R. § 1.2110(f)(3)(ii)(A)(1)-(3).

EXHIBIT Y: TRIBAL LANDS WAIVER REQUESTS

Request for an additional bidding credit: If the applicant is seeking a credit in excess of the amount calculated according to Section 1.2110(f)(3), the applicant must submit a waiver request, pursuant to Section 1.925 of the Commission’s Rules. See 47 C.F.R. § 1.925. These waiver requests are subject to the percentage cap on tribal lands bidding credits, and waivers will not be granted in excess of the applicable cap. This waiver request must demonstrate that the infrastructure costs exceed the amount of the standard bidding credit as calculated by ULS. The applicant will need to supply a detailed showing of the projected infrastructure costs, including a certification by an independent auditor that the estimated costs are reasonable. Each tribal land waiver request should be attached separately by selecting Attachment Type “Tribal Lands Waiver Requests” and entering “**Exhibit Y: Tribal Lands Waiver Requests**” in the Description Field on the Attachment Screen.

EXHIBIT Z: APPLICANT CERTIFICATION

The applicant must attach a certification stating that it will comply with the buildout requirements set forth in § 1.2110(f)(3)(vi) of the Commission’s Rules and that it will consult with the tribal government regarding the siting of facilities and deployment of service on the tribal land. See 47 C.F.R. § 1.2110(f)(3)(ii)(B).
