CLARIFICATION OF EFFECTIVE DATE OF REQUIREMENTS CONTAINED IN THE THIRD ORDER ON RECONSIDERATION AND SECOND FURTHER NOTICE OF PROPOSED RULEMAKING

CC Docket 94-129

On April 18, 2003, a summary of the Third Order on Reconsideration and Second Further Notice of Proposed Rulemaking (*Reconsideration Order*) was published in the Federal Register.¹ The Federal Register summary indicated that June 2, 2003 was the effective date of the requirements in the *Reconsideration Order* not subject to approval by the Office of Management and Budget (OMB). However, the *Reconsideration Order* as released by the Commission on March 17, 2003, indicated a different date. We hereby clarify that the June 2, 2003 date published in the Federal Register is the correct effective date for the requirements contained in the *Reconsideration Order* that are not subject to OMB approval. We will publish a document in the Federal Register announcing the effective date of the requirements that are subject to OMB approval.
