v.
ATX Telecommunications Services,
Defendant.

File No. EB-02-MDIC-0019

ORDER

Adopted: June 27, 2003

Released: July 1, 2003

By the Deputy Division Chief, Market Disputes Resolution Division, Enforcement Bureau:

1. On March 29, 2002, APCC Services, Inc., et al. ("APCC" or "Complainants") filed an informal complaint alleging that ATX Telecommunications Services ("ATX") is responsible for paying dial around compensation for certain types of completed calls carried by its network that originated from APCC's payphones. Pursuant to section 1.718 of the Commission's rules, the Complainants are required to convert their informal complaint into a formal complaint within six months of the date that the Defendant replies to the informal complaint, or such informal complaint will be deemed to be abandoned. In this case, the Complainants are required to convert the informal complaint into a formal complaint by June 30, 2003.

1 47 C.F.R. § 1.718.

2 See Letter from Allan C. Hubbard, Attorney for Complainants, and Kathleen Greenan-Ramsey, Attorney for ATX, to Jonathan Reel, Attorney, Market Disputes Resolution Division, Enforcement Bureau, FCC, File No. EB-02-MDIC-0019 (June 27, 2003) ("Joint Waiver Request"). ATX replied to the Complaint on June 13, 2002, and the Commission granted parties' joint request for extension of time to June 30, 2003. Id., n.2.

2. Since March 29, 2002, the parties have engaged in negotiations to resolve the disputes about dial around compensation issues.³ On June 27, 2003, the parties filed jointly a Request for Extension of Time to File Complainants' Formal Complaint in this matter.⁴ The parties seek a waiver of section 1.718 of the Commission's rules, and, in particular, request a six-week extension of the deadline for filing a formal complaint.⁵ The Joint Waiver Request explains that the parties are attempting to resolve this dispute without further litigation, and that an extension is necessary to continue negotiations and work toward settling this matter.⁶

3. We are satisfied that granting the parties' Joint Waiver Request will serve the public interest by promoting the private resolution of disputes and by postponing the need for further litigation and expenditure of further time and resources of the parties and of this Commission until such time as may actually be necessary.

4. Accordingly, IT IS ORDERED, pursuant to sections 4(i), 4(j), and 208 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(i), 154(j), and 208, and sections 1.3 and 1.718 of the Commission's rules, 47 C.F.R. §§ 1.3, 1.718, and the authority delegated in sections 0.111 and 0.311 of the Commission's rules, 47 C.F.R. §§ 0.111, 0.311, that the Request for Extension of Time to File Complainants' Formal Complaint IS GRANTED.

5. IT IS FURTHER ORDERED that, unless otherwise extended by order, the deadlines that would otherwise apply under section 1.718 of our rules, 47 C.F.R. § 1.718, are hereby waived, and the date that APCC Services, Inc., et al. must convert their informal complaint against ATX to a formal complaint pursuant to section 1.718 of our rules, 47 C.F.R. § 1.718, is extended to August 11, 2003.
