**WIRELINE COMPETITION BUREAU GRANTS REQUEST
FOR EXTENSION OF TIME FOR FILING COMMENTS AND REPLY COMMENTS

TELECOMMUNICATIONS ACT OF 1996 (“PICK-AND-CHOOSE RULES”)**

CC Docket No. 01-338

Revised Filing Dates:

Comments Due: October 16, 2003
Reply Comments Due : November 10, 2003

On August 21, 2003, the Commission released a Further Notice of Proposed Rulemaking (*FNPRM*) in CC Docket No. 01-338 inviting comment on the Commission’s rules implementing Section 252(i) of the 1996 Act, which allows requesting carriers to opt into individual portions of interconnection agreements without accepting all the terms and conditions of such agreements (*i.e.*, “pick-and-choose rules”).¹ Based on publication of the *FNPRM* in the Federal Register, parties were required to file comments on October 2, 2003 and reply comments on November 3, 2003.² On September 23, 2003, the Competitive Telecommunications Association (CompTel) filed a motion to extend the dates for filing comments and reply comments.³ Specifically, CompTel requested a two-week extension of time for the comment and reply comment

deadlines.⁴ CompTel states that an extension is necessary because the proceeding requires an analysis of carriers' experience regarding the negotiation and arbitration of interconnection agreements under the existing pick-and-choose rules.⁵

It is the policy of the Commission that extensions of time are not routinely granted.⁶ In this instance, however, the Bureau finds that CompTel has shown good cause for a limited extension of the deadline for filing comments and reply comments in this proceeding. Because of the Commission's desire to obtain a complete evidentiary record, we grant a limited extension so that parties may file comments on October 16, 2003 and reply comments on November 10, 2003. This extension should allow parties time to gather evidence from interconnection agreement negotiations and arbitrations and should allow parties sufficient time to respond to the initial comments. This matter shall continue to be treated as a "permit-but-disclose" proceeding in accordance with the Commission's *ex parte* rules.⁷ All other requirements detailed in the September 2, 2003 Public Notice remain in effect.
