## **MEDIA BUREAU ACTION**

### **EXTENSION OF TIME FOR FILING RESPONSES AND REPLIES TO PETITION SEEKING DECLARATORY RULING THAT THE HOMEOWNER ASSOCIATION RULES OF THE WOODMERE TOWNHOME ASSOCIATION OF DARIEN, ILLINOIS ARE PREEMPTED BY THE COMMISSION'S OVER-THE-AIR RECEPTION DEVICES RULE**

On December 31, 2002, the Bureau released a Public Notice regarding a Petition for Declaratory Ruling filed by Philip Wojcikewicz asking the Commission to determine whether the Woodmere Townhome Association of Darien, Illinois has taken actions restricting the installation and placement of a television broadcast antenna that are preempted by Section 1.4000 of the Commission's rules. The Petition alleges that the Townhome Association's actions violate the Commission's rule preempting restrictions that impair installation, maintenance or use of over-the-air reception devices (including television broadcast antennas) by requiring prior approval and refusing to allow antenna installation on the roof.

The Public Notice established times for filing responses and replies to this petition. Shortly before the expiration of time to file responses, we discovered that some of the documents filed as attachments to the petition were missing from the public inspection file. These documents are now included in the public inspection file and that file is now complete. Therefore, we are extending the date to file responses to the petition from January 31, 2003 to **March 10, 2003** and the date to file replies from February 14, 2003 to **March 25, 2003**.

Parties may file responses to the Petition on or before **March 10, 2003** and replies on or before **March 25, 2003**. Please place the case identifier, **CSR-6030-0**, on all filings.

The Petition is available for public inspection in the Commission's Reference Information Center:
