NOTICE OF PROPOSED RULE MAKING

Adopted: December 3, 2003

Released: December 8, 2003

Comment Date: January 30, 2004

Reply Comment Date: February 17, 2004

By the Assistant Chief, Audio Division:

1. The Audio Division has before it a petition for rule making filed by NM Licensing LLC ("Petitioner"), licensee of Station KLAJ(FM) ("KLAJ"), Channel 248C2, Durant, Oklahoma. Petitioner seeks to amend the FM Table of Allotments by changing Station KLAJ's community of license from Durant, Oklahoma, to Whitewright, Texas, thus providing Whitewright with its first local aural transmission service. Petitioner states that if the Commission grants its petition for rule making, Petitioner will file an application to permit operation of the station on Channel 248C2 as a Whitewright station.

2. Petitioner seeks to invoke the provisions of Section 1.420(i) of the Commission's rules which permits the modification of a station's authorization to specify a new community of license without affording other interested parties an opportunity to file competing expressions of interest.¹ In support of its proposal, Petitioner explains that the proposed use of Channel 248C2 at Whitewright, Texas, is mutually exclusive with Station KLAJ's existing authorization at Durant, Oklahoma.

3. Petitioner asserts that the adoption of its proposal will result in a preferential arrangement of allotments consistent with the *Revision of FM Assignment Policies and Procedures*,² by providing Whitewright, Texas, (2000 U.S. Census population of 1,740), with its first local aural transmission service. The allotment of Channel 248C2 to Whitewright would not deprive Durant of its sole local transmission outlet, because Durant (2000 U.S. Census population of 13,549) will retain local service from four other radio stations.³

¹ See *Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 4870 (1989), *recon. granted in part*, 5 FCC Rcd 7094 (1990).

² 90 FCC 2d 88 (1982). The allotment priorities are: (1) first full-time aural service; (2) second full-time aural service; (3) first local service and (4) other public interest matters. Equal weight is given to priorities (2) and (3).

³ Those stations are: KAYC(FM), Channel 216A; KLBC(FM), Channel 292C3; KSSU(FM), Channel 220A; and KSEO(AM), 750 kHz.

4. Station KLAKE's current 70 dBu contour encompasses 100 percent of the Sherman Urbanized Area. At its new location near Whitewright, Station KLAKE's proposed 70 dBu contour would cover about 70 percent of that urbanized area. Petitioner has submitted a *Tuck*⁴ showing in order to demonstrate Whitewright's independence from the Sherman Urbanized Area. We believe that Petitioner's proposal warrants consideration since the allotment of Channel 248C2 to Whitewright, Texas, could provide a first local aural transmission service to Whitewright.

5. The transmitter site for Station KLAKE will be relocated to accommodate Petitioner's request to reallocate Station KLAKE from Durant to Whitewright. Petitioner claims that the reallocation of Channel 248C2, Station KLAKE, to Whitewright will result in a net gain in population served of 267,728 persons. Our engineering studies indicate that both the loss and gain areas will be well served with 5 or more reception services. Since Petitioner's proposal is consistent with the provisions of Section 1.420(i) of the Commission's Rules, we shall propose to modify the authorization of Station KLAKE without entertaining competing expressions of interest in the use of Channel 248C2 at Whitewright, Texas, or requiring Petitioner to demonstrate the availability of an additional equivalent channel for use by other parties.

6. Consistent with the technical requirements of the Commission's Rules, Channel 248C2 can be allotted to Whitewright, Texas, utilizing coordinates of 33-30-55 NL and 96-24-16 WL, with a site restriction of 1.2 kilometers (0.7 mile) west of Whitewright.

7. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the communities listed below, as follows:

<u>City</u>	<u>Channel Nos.</u>	
	<u>Present</u>	<u>Proposed</u>
Durant, Oklahoma	248C2, 292C3	292C3
Whitewright, Texas	-----	248C2

8. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

11. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b) and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement.

Any comment, which has not been served on the petitioner, constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment that has not been served on the person(s) who filed the comment to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposal in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.
