December 10, 2003

AUCTION OF 900 MHz SPECIALIZED MOBILE RADIO SERVICE LICENSES SCHEDULED FOR FEBRUARY 11, 2004

REVISED LIST OF AVAILABLE LICENSES

Report No. AUC-03-55-C (Auction No. 55)

This Public Notice sets forth a revised list of 900 MHz Specialized Mobile Radio Service licenses available for auction in Auction No. 55. Attachment A to this Public Notice corrects and replaces the list of available licenses released as Attachment A in two prior Public Notices.¹ Specifically, the following five licenses will **not** be included in Auction No. 55: YD-MTA028-M (Memphis-Jackson), YD-MTA028-T (Memphis-Jackson), YD-MTA029-M (Birmingham), YD-MTA043-P (Nashville), and YD-MTA043-R (Nashville).²

Upon release of this Public Notice, the five licenses listed above will be removed from the license selection portion of the FCC Form 175. If an applicant has already selected any of these licenses, those selections will be ineffective. Applicants are reminded that they can modify their FCC Form 175, including their license selections, until the filing window deadline of 6:00 p.m. ET on December 15, 2003.

For further information concerning this proceeding, contact Evan Baranoff, Mobility Division, at (202) 418-7142 or Robert Krinsky, Auctions & Spectrum Access Division, at (202) 418-0660.
