**REPORT AND ORDER  
(Proceeding Terminated)**

**Adopted: December 12, 2003**

**Released: December 16, 2003**

By the Assistant Chief, Audio Division:

1. This *Order* amends Section 73.202(b) of the Commissions Rules, the Table of FM Allotments, to specify the classes of channels allotted to various communities. These amendments are necessary to reflect changes that have been authorized in response to applications filed by licensees and permittees operating on these channels. This action is taken pursuant to *Revision of Section 73.3573(a)(1) of the Commission's Rules concerning the Lower Classification of an FM Allotment*, 4 FCC Rcd 2413 (1989), and *Amendment of the Commission's Rules to Permit FM Channel and Class Modifications by Application*, 8 FCC Rcd 4735 (1993). The attached Appendix shows the Table, as amended, for those communities.
2. This action constitutes an editorial change in the Table of Allotments. Therefore, we find for good cause that a public notice and comment proceeding is unnecessary. *See* 5 U.S.C. 553(b)(A) and (B).
3. For further information regarding a proceeding listed above, contact Kathleen Scheuerle (202) 418-2180.
4. IT IS FURTHER ORDERED, That this proceeding IS TERMINATED.
