Parties Asked To Refresh Record Regarding Reconsideration of Rules Adopted in 1997 Access Charge Reform Docket

CC Docket Nos. 96-262, 94-1, 91-213, 95-72

COMMENTS DUE: 30 days after Federal Register publication of this Notice
REPLY COMMENTS DUE: 45 days after Federal Register publication of this Notice

Pursuant to the Commission's rules governing petitions for reconsideration,¹ the Wireline Competition Bureau (the Bureau) invites interested parties to update the record pertaining to petitions for reconsideration filed with respect to the rules the Commission adopted in the 1997 *Access Charge Reform First Report and Order*.²

After the Commission released the *Access Charge Reform First Report and Order* on May 16, 1997, several parties filed petitions for reconsideration of that order. Since then there has been litigation and additional orders addressed to access charge reform, including the *CALLS Order*,³ concerning the rules adopted in the *Access Charge Reform First Report and Order*. Issues raised in the pending petitions for reconsideration may therefore have become moot or irrelevant. As a result, it is not clear what issues arising out of the *Access Charge Reform First Report and Order*, if any, remain in dispute. Moreover, because the *CALLS Order* arose out of a voluntary proposal representing a large consensus in the industry, the earlier concerns raised by the petitions for reconsideration already may have been addressed. Furthermore, because the petitions for reconsideration were filed several years ago, the passage of time and intervening developments may have rendered the records developed by those petitions stale.

¹ 47 C.F.R. § 1.106.

² *Access Charge Reform, Price Cap Performance Review for Local Exchange Carriers, Transport Rate Structure and Pricing, End User Common Line Charges*, CC Docket Nos. 96-262, 94-1, 91-213, 95-72, First Report and Order, 12 FCC Rcd 15982 (1997) (*Access Charge Reform First Report and Order*), *aff'd sub. nom.*, *Southwestern Bell v. FCC*, 153 F.3d 523 (8th Cir. 1998).

³ *Access Charge Reform*, CC Docket No. 96-262, Sixth Report and Order, 15 FCC Rcd 12962 (2000) (*CALLS Order*).

For these reasons, the Bureau requests that parties that filed petitions for reconsideration of the *Access Charge Reform First Report and Order* now file a supplemental notice indicating those issues that they still wish to be reconsidered. In addition, parties may refresh the record with any new information or arguments that they believe to be relevant to deciding such issues. To the extent parties do not indicate an intent to pursue their respective petitions for reconsideration, the Commission will deem such petitions withdrawn and will dismiss them. The refreshed record will enable the Commission to undertake appropriate reconsideration of its access charge related rules.

Interested parties may file comments updating their previously filed petitions for reconsideration no later than **30 days after this Public Notice appears in the Federal Register**, with the Secretary, FCC at 445 12th Street, SW, TW-A325, Washington, DC 20554. Oppositions or responses to these comments may be filed with the Secretary, FCC no later than **45 days after this Public Notice appears in the Federal Register**.
