ORDER GRANTING EXTENSION OF TIME

Adopted: December 23, 2003

Released: December 24, 2003

Comments Date: January 23, 2004

Reply Comments Date: February 7, 2004

By the Chief, Office of Engineering and Technology:

1. On December 18, 2003, Navini Networks, Inc. ("Navini") submitted a motion to the Commission requesting extension of the comment deadline in the above captioned proceeding from January 9, 2004 to January 23, 2004. Navini states that the additional time is required to prepare a thorough and meaningful response to the proposals contained in the *Notice of Proposed Rule Making*, many of which raise complex technical issues.

2. The Commission does not routinely grant extensions of time in rule making proceedings. However, we believe that providing more time will enable Navini and other entities to submit beneficial information to the record in this proceeding. Accordingly, we agree to extend the comment deadline.

3. Pursuant to the authority in Sections 4(i) of the Communications Act of 1934, as amended, 47 U.S.C. § 154(i) and Sections 0.31, 0.241 and 1.46 of the Commission's Rules, 47 CFR §§ 0.31, 0.241 and 1.46, IT IS ORDERED that the time for filing comments in the above captioned proceeding IS EXTENDED from January 9, 2004 to January 23, 2004, and the time for filing reply comments IS EXTENDED from January 26, 2004 to February 7, 2004.

FEDERAL COMMUNICATIONS COMMISSION

Edmond J. Thomas
Chief
Office of Engineering and Technology
