Released: April 27, 2004

**MEDIA BUREAU RECEIVES REQUEST BY ANALOG TELEVISION STATION IN  
THE UPPER 700 MHZ BAND TO CEASE ANALOG BROADCASTING,  
SURRENDER NTSC LICENSE, AND OPERATE AS A SINGLE CHANNEL,  
DIGITAL-ONLY TELEVISION STATION**

In its Memorandum Opinion and Order and Further Notice of Proposed Rulemaking in WT Docket No. 99-168, the Commission adopted the reallocation of the 746-764 and 776-794 MHz Spectrum Band (television channels 60-69) from use by television broadcasters to new uses on a flexible basis.<sup>1</sup> The Commission also stated that it would consider requests by incumbent broadcasters on channels 60-69 to voluntarily vacate their NTSC channels prior to the end of the DTV transition.<sup>2</sup>

The Media Bureau has received a request from WRNN License Company, LLC, the licensee of analog television station WRNN-TV, NTSC Channel 62, and permittee of digital television station WRNN-DT, Channel 48, Kingston, New York,<sup>3</sup> for Commission authority to: (i) cease analog broadcasting on NTSC Channel 62 and surrender its license for the channel prior to the end of the DTV transition; and (ii) thereafter operate WRNN-DT as a single channel, digital-only television station on DTV Channel 48. This request is available for inspection at the Commission's Reference Center, 455 Twelfth Street, S.W., Room CY-A257, Washington, D.C. 20554.

For further information, contact Joyce Bernstein of the Media Bureau, Video Division at (202) 418-1647.

By: Chief, Media Bureau
